

The Director

Sir:

STAT I have reviewed the attached
STAT package of material, which contains the recommendation
that you waive the "90% rule" under the provisions of
HR []

It is my understanding that
[] is a highly qualified officer who has his
job cut out for him, particularly in the first three
to six months when he will be working almost full time
on the program of the new Security Committee. I rec-
ommend that you exercise your authority to waive the
90% rule.
